- Based on the format of the Bid items which do not include any quantities a bid bond amount would be inaccurate. By including total amount of items bid (quantity = each) will the required submittals be satisfied and in compliance with terms of the Bid Requirements?
- Response: No bid bond or bond of any kind is required.
- We have been bidding/doing business with Fulton County for many years and have never seen a bid bond/certified check requirement for bidding on lamps and ballasts bids. Is this a requirement for bidding?
- Response: No bid bond or bond of any kind is required.
